Subject: Consider Adoption of Resolution #8 Authorizing Remote Teleconference Meetings of the Camarillo Airport Authority for a 30-Day Period

Recommendation:

Consider adoption of Resolution #8 (Exhibit 1) authorizing remote teleconference meetings of the Camarillo Airport Authority for a 30-day period pursuant to Government Code Section 54953, Subdivision (e), of the Ralph M. Brown Act.

Fiscal/Mandates Impact:

There are no fiscal impacts associated with this action.

Discussion:

Governor Gavin Newsom signed Assembly Bill 361 ("AB 361") into law on September 16, 2021. AB 361 is an urgency measure effective immediately that authorizes legislative bodies to meet remotely in any of three circumstances, as set forth in Government Code section 54953, subdivision (e):

- "The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing." (Gov. Code, § 54953(e)(1)(A).)
- "The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees." (Gov. Code, § 54953(e)(1)(B).)
- "The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees." (Gov. Code, § 54953(e)(1)(C).)

Governor Newsom declared a State of Emergency in response to the COVID-19 pandemic on March 4, 2020. Dr. Robert Levin, Ventura County Health Officer, issued a recommendation regarding social distancing and continued remote meetings of legislative bodies on November 15, 2021 (Exhibit 2). Dr. Levin's recommendation states in part, "I continue to recommend that physical/social distancing measures be practiced throughout our Ventura County communities to minimize the spread of COVID-19, including at meetings of the Board of Supervisors and meetings of other legislative bodies in the County of Ventura."

Airport staff ensures that all virtual meetings are held in compliance with the Government Code as it relates to posting requirements, public accessibility to the meeting, and public comments. Although your Airport Authority, as a legislative body in the County, may continue to meet virtually, to do so, your Airport Authority must now make the following findings by majority vote every 30 days:

- Your Airport Authority has reconsidered the circumstances of the state of emergency, and
- One or both of the following circumstances exist:
 - The state of emergency continues to directly impact the ability of your Airport Authority's members to meet safely in person, or
 - State or local officials continue to impose or recommend measures to promote social distancing. (Gov. Code, § 54953(e)(3).)

Attached for consideration is Resolution #8, that if adopted, authorizes your Airport Authority to meet remotely for a 30-day period. Additionally, if Resolution #8 is approved, the regular meeting of the Airport Authority scheduled on Thursday, April 14, 2022 at 6:30 p.m. would be held remotely.

Re: Recommendation regarding Social Distancing and Continued Remote Meetings of
Legislative Bodies

I continue to recommend that physical/social distancing measures be practiced throughout our Ventura County communities to minimize the spread of COVID-19, including at meetings of the Board of Supervisors and meetings of other legislative bodies in the County of Ventura.

The California Department of Public Health ("CDPH") and the Centers for Disease Control and Prevention ("CDC") caution that the Delta variant of COVID-19, currently the dominant strain of COVID-19 in the country, is more transmissible than prior variants of the virus, may cause more severe illness, and that even fully vaccinated individuals can spread the virus to others resulting in rapid and alarming rates of COVID-19 cases and hospitalizations (<https://www.cdc.gov/coronavirus/2019-ncov/variants/delta-variant.html>). While the Delta variant is the currently circulating variant, the Delta-2 variant, its likely successor, is 10 to 15% more transmissible. Current case and hospitalization rates have remained stubbornly higher than they were in the days leading up to the most recent surge. In some counties in our state, these rates are starting to climb again. We are facing the winter holidays and the opportunities these holidays present to promote transmission of COVID-19 infection. The winter season and its associated cold weather drives people indoors and provides another opportunity to spread the highly transmissible COVID-19 virus. Associated with these events last year our county experienced a surge in COVID-19 cases.

Whether vaccinated or not, positive individuals are contracting the Delta variant and infecting others in our communities. Social distancing and masking are crucial mitigation measures to prevent the disease's spread. Remote meetings of legislative bodies in the County, including but not limited to the Board of Supervisors are a recommended form of social distancing that allows for the participation of the community, county staff, presenters, and legislative body members in a safe environment, with no risk of contagion. It is recommended that legislative bodies in the County continue to implement 100% remote meetings. Just as it is likely that the current County order requiring the use of face coverings indoors will be in place beyond the first of the year,

though driven by good intentions, lifting the remote meetings policy at this time would be premature.

If you have any questions regarding this recommendation, please do not hesitate to contact me.

Consider adoption of Resolution #8 (Exhibit 1) authorizing remote teleconference meetings of the Oxnard Airport Authority for a 30-day period pursuant to Government Code Section 54953, Subdivision (e), of the Ralph M. Brown Act.

- "The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote, pursuant to subparagraph (B), that, as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees." (Gov. Code, § 54953(e)(1)(C).)
